

CLEANING YOUR RV WINDOWS MADE EASY

To safely clean an acrylic window in your RV without causing scratches or damage, it's essential to use the correct specialized cleaning products rather than typical household cleaners. Dometic offers the perfect solution, providing cleaning tools that can even remove minor scratches, leaving your windows crystal clear. It was never that easy to clean your RV windows.

Acrylic glass cleaner

Dometic acrylic glass cleaner is specially formulated for Dometic windows and rooftop windows for both outer and inner surfaces. It offers easy and streak-free cleaning. The special composition does not cause micro cracks in the long term. Guaranteed by Dometic and confirmed in laboratory tests.

- Best cleaner for Dometic windows and suitable for all kind of other acrylic windows and surfaces
- Prevents micro-cracks
- No static build-up and dust
- Practical spray bottle with 500ml content

NEW
